

Festival del Espacio

Come and explore the beautiful night sky and learn about the amazing work astronomers do to understand space and our place within it in the Festival del Espacio at the University of Kentucky!

Be an astronomer while you look at the planets and stars at the **UK observatory.**

For the entire family and all in **Spanish!**

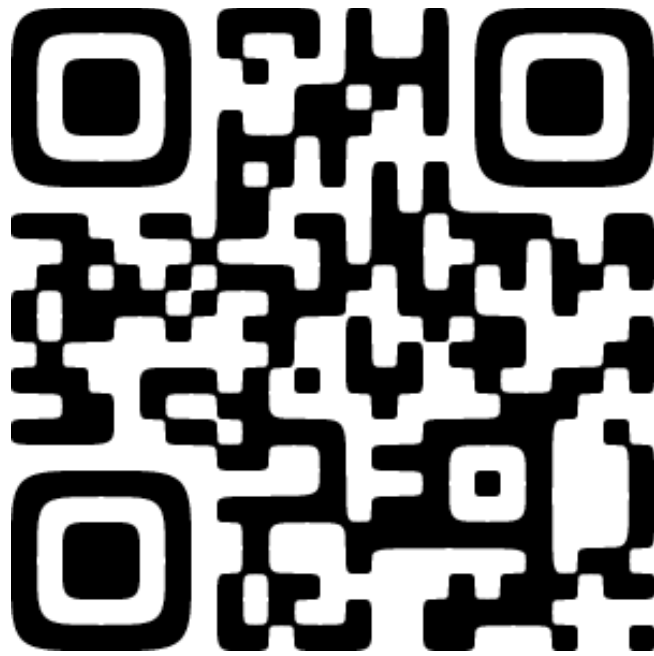

Become a scientist as you perform astronomical experiments to learn about space with **activities and crafts!**

With free tacos, snacks and drinks

May 19th, 2023
